Preface

This bibliography presents selected articles, books, electronic documents, and other sources that are useful in understanding scholarly electronic publishing efforts on the Internet and other networks. Most sources have been published between 1990 and the present; however, a limited number of key sources published prior to 1990 are also included. Where possible, links are provided to freely available sources that are available via the Internet.

Announcements for new versions of the bibliography are distributed on PACS-P <URL:http://info.lib.uh.edu/pacsp.html> and other mailing lists.
