6.2.9 UC Berkeley Digital Library Project 86
Preface

This bibliography presents selected English-language articles, books, and other printed and electronic sources that are useful in understanding scholarly electronic publishing efforts on the Internet. Most sources have been published between 1990 and the present; however, a limited number of key sources published prior to 1990 are also included. Where possible, links are provided to sources that are freely available on the Internet.

Announcements for new versions of the bibliography are distributed on PACS-P <URL:http://info.lib.uh.edu/pacsp.html> and other mailing lists.

Appendix A. Related Bibliographies

The Scholarly Electronic Publishing Bibliography builds on the following prior works:

Appendix B. About the Author

Charles W. Bailey, Jr. is the Assistant Dean for Systems at the University of Houston Libraries. Previously, he served as the head of the systems department at an academic medical library, a systems librarian at a research library, a technical writer at a bibliographic utility, and a media librarian at an academic media center. He holds master's degrees in information and library science and instructional media and technology.

Since 1989, he has participated in a variety of electronic publishing projects on the Internet. He established and moderated the PACS-L mailing list. He founded and edited *The Public-Access Computer Systems Review*, which was a refereed electronic journal. He established and co-edited *Public-Access Computer Systems News*, which was an electronic newsletter. He founded and moderates the PACS-P mailing list. He contributes reviews to *Current Cites*. In 1993, Mr. Bailey won the first LITA/Library Hi Tech Award for his electronic publishing efforts.

Mr. Bailey has written numerous papers about scholarly electronic publishing and artificial intelligence applications in libraries. See <URL:http://info.lib.uh.edu/cwb/bailey.htm> for a more complete description of his publications.

His e-mail address is cbailey@uh.edu.
