Preface

This bibliography presents selected English-language articles, books, and other printed and electronic sources that are useful in understanding scholarly electronic publishing efforts on the Internet. Most sources have been published between 1990 and the present; however, a limited number of key sources published prior to 1990 are also included. Where possible, links are provided to sources that are freely available on the Internet.

Announcements for new versions of the bibliography are distributed on PACS-P (<URL:http://info.lib.uh.edu/pacsp.html>) and other mailing lists.

An article about the development and utilization of the bibliography is available:
